TECHNICAL SERVICES LLC
YOUR TRUSTED PARTNER FOR HVAC SOLUTIONS

# BRAND AT A GLANCE

## Who we are

Hisab Technical Services LLC is a Dubai-licensed HVAC installation company (DED licence no. 1229557). We design, supply and install split AC, VRF/VRV and ducted split systems with ductwork for new towers, buildings and villas across Dubai and Sharjah.

### VISION

To be recognised as the UAE's most trusted HVAC installation partner, with systems that run efficiently and reliably for years.

### MISSION

Precisely sized, professionally installed air conditioning, on time and within budget, with warranty support on every installation.

## Core values

- Integrity — no hidden costs
- Quality — right equipment, installed to standard
- Safety — every worker home safe
- Teamwork
- Accountability

### BRAND LINE

**Your trusted partner for HVAC solutions.**

### KEY MESSAGES

HVAC solutions for new buildings. **Installed right.**
Comfort is a system. We make it work.
Free site inspection before every quote.
Maintenance included during the warranty.

## Services

- Split AC systems
- VRF / VRV systems
- Ducted split AC & ductwork
- Design to handover

## Audience

Main contractors, developers, building and villa owners in Dubai and Sharjah, at design stage and before ceilings close.

# THE LOGO

Primary logo — on white and light backgrounds

Reversed logo — on navy, charcoal and dark photos

## Parts of the logo

The fan icon (air in motion), the HISAB wordmark with the red A, "Technical Services LLC", the red–blue line (hot and cold air) and the line "Your trusted partner for HVAC solutions".

Icon — light

Icon — dark

## Rules

- **Clear space:** keep empty space around the logo at least the height of the letter "H".
- **Minimum size:** 40 mm wide in print, 160 px on screen. Below that, use the icon.
- Icon alone: favicon, app icon, social profile picture, small stickers.
- Always use the original files. Never retype or redraw.

# LOGO — DO NOT

Stretch or squash

Change the colours

Rotate or tilt

Place on red or busy colours

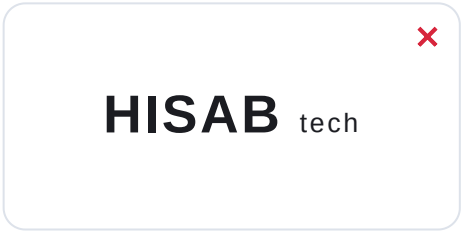

Dark logo on dark background

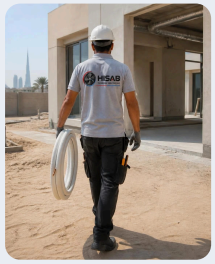

Add shadows or effects

Place on busy photos without a panel

Retype the name in another font

**Uniforms and vehicles:** the logo goes on the back of the shirt (large) and small on the chest. Grey or white uniform, black work trousers. On vests and helmets use the icon or a white panel behind the logo so it stays readable.

# COLOUR PALETTE

### Hisab Navy

**#0B2545**

## How much of each

Navy 60% · White 20% · Blue 10% · Red 7% · Charcoal 3%

## The red–blue line

Red and blue together stand for hot and cold air. Use them as thin lines, frames around photos and the split bar under titles, never as large equal blocks side by side. CMYK values are a guide; ask the printer for a proof.

# TONE OF VOICE

### Clear

Short sentences, plain words. Say what we install, where and how.

### Confident

Engineers who know their work. Facts, not hype.

### Reliable

Promise only what we deliver: free inspection, written quote, warranty support.

### Professional

Respectful to contractors and owners. Safety and quality first.

## We say

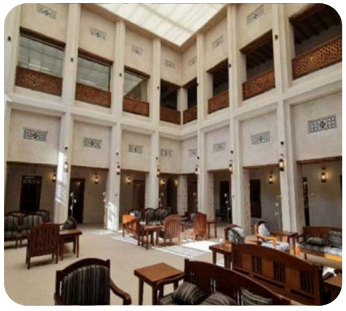

- ✓ "Free site inspection before every quote."
- ✓ "Installed right, tested and handed over."
- ✓ "Planned around the main contractor's programme."
- ✓ "Maintenance included during the warranty."
- ✓ Real project names and real numbers (12 completed projects, DED licence 1229557).

## We avoid

- ✗ Empty claims: "best in the world", "cheapest", "revolutionary".
- ✗ Promises we cannot prove (energy savings %, prices) without a source.
- ✗ Maintenance contracts outside the warranty — we install new systems.
- ✗ Technical jargon without a short explanation for owners.
- ✗ Stock-photo smiles: show real sites and real work.

# IMAGERY & GRAPHIC ELEMENTS

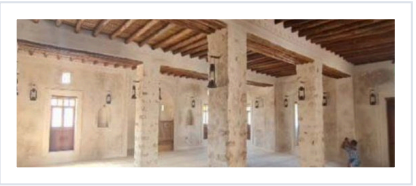

**Photos:** real Hisab sites and completed projects, technicians in Hisab uniforms with safety gear, rooftop VRF units, ductwork and clean finished interiors. Bright, sharp, natural light. Black-and-white or cool-toned photos are fine for HSE and quality pages.

## Graphic elements

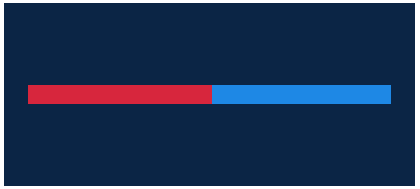

Rounded photo frame (red or blue)

White frame for gallery photos

Navy page with red footer band

Red–blue split line

- ✓ Generous navy space, one strong photo per section.
- ✓ Quote panels: red block with blue outlined text.
